

Job Title:	Key Account Manager (KAM)
Reporting to:	Sales Director
Date:	June 2024

Job Purpose

- The role of the KAM is a senior field based, responsible for managing customers (M and K) and identifying ways to proactively upsell / cross-sell, becoming a value-added partner

About A-SAFE and the Role

A-SAFE is a rapidly growing and dynamic environment where open mindedness, curiosity and drive are important. As market leader, A-SAFE is determined to hold its position and create many opportunities for continued growth and development. We have a true global presence including USA, Japan, Australia, Europe and UAE.

We are known for our innovation and 'can-do' attitude. A place where talent can thrive and develop as we grow. We invented the first industrial strength polymer safety barrier, revolutionising workplace safety. We've been improving world standards ever since, introducing further advanced safety solutions, including next generation IOT safety devices like RackEye.

Global blue-chip companies use our products. Coca-Cola, BMW, Jaguar Land Rover, Amazon, Heathrow airport to name but a few.

At A-SAFE we put our values at the heart of the business.

WE ARE
PIONEERS

WE ARE
IN IT TOGETHER

WE DO
THE RIGHT THING

We want you to be aligned to these and able to thrive in our company.
